

## *Revision for Standard Grade Credit and General Telecommunications test*

You should have completed the following tasks as part of your revision for the **Telecommunications** unit of the standard grade course.

- Completed all pages in the **Telecommunications** summary notes.
- Ticked if you understand all the boxes on the **Telecommunications** study guide. If you don't understand something ask your teacher.
- Completed all questions in the **Telecommunications** homework booklet.
- Visit the standard grade physics bitesize web site and look at these sections.

### 1. Radiation

### 2. Look at the revision section and try the test for radiations too.

- On the school website there are a number of additional questions which you can try too.  
The answers are there too on a separate page.
